

### REMARKS

This application has been carefully reviewed in light of the Notice of Allowance and the Notice of Allowability dated August 9, 2006. Claims 1 to 5, 7, 16 to 20, 22, 31 to 35 and 37 remain pending in the application. Entry of this amendment is respectfully requested.

The Notice of Allowability included an Examiner's Amendment to cancel some of the claims. However, the Examiner's Amendment is not clear as to the status of all claims and overlooked cancellation of some claims. Specifically, the Examiner's Amendment appears to only have cancelled Claims 46 to 50 and 52, but Claims 54 to 60 should also have been cancelled by the Examiner's Amendment. Additionally, the Notice of Allowability included a Claim Sheet purporting to be the claims as pending and as allowed, but that Claim Sheet listed the claims as presented in the July 10, 2006 Preliminary Amendment and therefore, listed the pending claims incorrectly. Therefore, Applicant is submitting this amendment merely to make the status of the pending and allowed claims clear. Thus, the claims, as pending and as allowed read as set forth above.

Applicant's undersigned attorney may be reached in our Costa Mesa,

Respectfully submitted,

/Edward Kmett/
